INTRODUCTION

Al Aalami Factory For Furniture and Wooden Industries LLC (AAF) is a national factory located in Riyadh, Saudi Arabia since 1991. We pride ourselves with our sophisticated and automated production lines which are fully operated with highly experienced operators and craftsmen.

Our management consists of highly qualified engineers who design products, manage, and organize all production flows to ensure the full satisfaction of our clients in order to establish their trust in our products. AAF is also a part of a group that consist of multiple companies and manufacturers that also pride themselves with their experience and history.

MISSION STATEMENT

Our mission is to target well renowned & reliable clients in the market and provide them with innovative, trusted & reliable woodworks using digital and automated technologies to ensure them with high impact, quality driven, and cost effective solutions

OUR VISION

“ Our vision is to be a leader in the automated woodwork manufacturing industry and to be at the forefront of innovative technologies ”

**AFF PROVIDES THE REGION AND BEYOND
WITH DISTINGUISHED SERVICES THAT SET
NEW PARAMETERS OF EXCELLENCE.**

FIT-OUT CONTRACTING

We offer interior fit-outs for commercial, residential, retail, and hospitality projects

AFF offers interior fit-outs for commercial, residential, retail and hospitality projects. Our team works relentlessly to deliver creative and cost-effective solutions to fulfil the client's needs. By blending artistic interpretation, high-quality materials, and cutting-edge technology, we create interior environments that connect, inspire and captivate people. We have a proven track record working on all types of fit-out projects throughout the region and beyond. AFF takes pride in delivering the

best results even when we face extremely tight and complex deadlines. AFF has a successful history of completed projects and many satisfied clients. Supported by our experienced design and management team and backed up by 11,000 sqm of manufacturing, our fit-out teams complete our unique operating model, giving us the edge over traditional fit-out companies through our ability to manage time, cost and quality from design to execution right through to delivery and completion.

MANUFACTURING

Our manufacturing and production facilities are equipped with state of the art technology

AFF manufacturing and production facilities are equipped with state of the art and modern technology-driven machinery to enable multi-run production of high-end quality finishes. Our 11,000 sqm manufacturing facility is equipped with the latest computer-aided manufacturing techniques that enables us to produce high volume bespoke products. Our skilled craftsmen and stringent quality control procedures together with our ISO 9001 and 45001 accreditations ensure the quality of our products are consistently maintained and delivered to the highest standard. AFF manufactures and installs all

types of doors, INTERTEK certified fire-rated doors, wardrobes, kitchen units, vanity units, and bespoke joinery interiors for commercial and residential projects, including the manufacturing, supply and installation of contract furniture, case goods, upholstered furniture and soft seating. The company's committed to maintain the highest quality standard at every stage has resulted in delivering products with superior finishes and unique values - from classical and traditional to contemporary and modern designs.

DESIGN & BUILD

Our creative team builds projects from conception to completion

We offer a fully-managed one-stop design and build service, undertaking all aspects of turnkey projects. Our team of design experts will work with you throughout the development process and beyond. Using the latest 3D CAD and Design software, we provide our clients with a fully visualised design concept and executional shop drawings. Driven by passion for great designs, aesthetic finishes and pursuit for excellence, AFF elevates creative process to provide clients with a new perspective in interior fit-out solutions.

From initial design and planning, we deliver full fit-out projects right through to hand over. Our multi-skilled teams are dynamic and get involved in different parts of each project. We provide a wide range of in-house services to ensure our design & build team delivers the project to the highest standard. Our fit-out works from flooring, ceiling, partition, joinery, upholstery executed by our carefully selected in-house team.

PROJECT MANAGEMENT

We are committed to ensuring complete client satisfaction by providing quality workmanship

Our project management team is composed of qualified and experienced professionals who consistently deliver quality work to the highest standard. From small to large-scale projects, AFF aims to exceed the client's expectations delivering every project. With over 30 years' experience as a fit-out company, we have the right team, the right process, planning and structure in place to deliver successful projects. AFF holistic approach to processes and evolution means that we value and respect health, safety and quality control. Our team has extensive knowledge and

experience to ensure that everything runs smoothly within the given time and budget. From brief development and design planning, through to construction and building requirements, refurbishments, fitting selection and execution of all details. Under our project management team's direction and commitment to delivering excellence, our clients can remain confident that the finished project will exceed their expectations.
