ALUMINUM INTERNATIONAL COMPANY
KITCHENS & WINDOWS

Introduction

Aluminum International Company brings to you Prestige Aluminum Systems' windows, doors and kitchen cabinets fabrication section in which we are committed to provide our customers with a superior quality and fast execution at a reasonable price. With our exceptional and tested collection of Prestige aluminum windows and doors systems. In addition to our endless designs for a European quality aluminum kitchen cabinets that are luxurious and fulfills our customers' different tastes of elegancy.

Why Prestige ?

Heavy Duty Cabinets

We use extruded powder coated aluminum profiles with high thicknesses and 4 mm cladding to build you cabinets that can handle all your stuff and last for as long as you need.

Fast Execution And Delivery

Our cabinets come in many standard sizes that fits perfectly in any area that is why our manufacturing process is considered fast and smooth.

Why Prestige ?

First-Rate Materials & Accessories

From hinges to marble, all of the materials that we use in production are considered top of the line brands with high quality and guaranteed performance.

10 Years Guarantee

A Great product will not succeed without a great after selling service that is why we take care of our customers for 10 years or even more to let them know that we were and still their best choice.
